WELCOME TO AQUARIUS CHEMICALS

QUARIUS CHEMICALS is an proprietary firm, established in the year 1989 with a small share in the market. Over almost two decades it has been serving the clients with its customer base in Maharashtra, neighboring states & abroad.

Our product line includes Water Treatment Plants like Filtrations, Softeners, DM Plant, RO Plant , LP and HP dosing systems. It also includes Water Treatment Chemicals for Cooling Towers and Boilers, fireside Chemicals for Boilers , Chemicals required for ETP plants, Descaling Chemicals covering vast expanse of water quality requirements from Domestic to Industrial, having varied sources of water and variety of stringent and industry specific norms for treated water. We by tenaciously working over two decades in the field adopted the skills required by ever changing and challenging Customer requirements.

We are committed to our Customers and strive for the best to offer quality products and innovative solutions to suit the specific requirements.

OUR VISION

We want to be preferred and most sought after business associate of our customers for their water and waste water management, by developing sustainable, innovative and cost effective solutions backed by timely support services.

OUR MISSION

We will work with our Customers as true partners to achieve superior water management solutions by providing complete technical back-up, transparency, and state of the art equipment and quality services.

OUR VALUES

Our Customers and our suppliers are our most valued partners and we want to create the best water management solutions that are not only cost effective but eco friendly. We want to provide a sound platform to our customers and suppliers through transparent dialogue and encouraging amicable atmosphere.

OUR STRENGTH & SERVICES

- Our Strengths and Areas of Services
- 25 Years of manufacturing Experience
- Well qualified and experienced staff.
- Advanced Engineering Services to assist system Designs, selections and integration.
- Comprehensive and detailed pre sales services as water quality evaluation, stage wise inspections and certifications where required.
- Complete service back up in installations and commissioning and trouble shooting
- Support for Maintenance of facility through AMC or on call services.
- Monitoring and analyzing system operations to ensure desired results are achieved.
- Wide distribution Network and Excellent transportation.

WATER TREATMENT CHEMICALS : CHEMICO SERIES

Chemico Series is extensive range of precisely developed water treatment chemical formulations for boiler water, Cooling Tower and Chillers backed by complete guidelines on selection, usages, dosing and monitoring. The use of these chemicals will optimize the water, chemical consumption, operating and maintenance costs.

BOILER WATER TREATMENT CHEMICALS

Our product range includes Anti-Scalant, Anti-corrosive formulations, oxygen scavengers, condensate line protectors, Alkalinity builders and sludge conditioners. We have perfect product blends to cater for low, medium and high pressure boilers using soft, DM or RO water.

COOLING TOWER WATER TREATMENT CHEMICALS

Our product range includes Anti-Scalant, Anti-corrosive formulations for protection of cooling Water system from scaling and corrosion. It has exhaustive range of Biocide and Bio Dispersant that gives protection from bacteria, algae, Fungi and other micro organisms. We have perfect product blends to cater for Cooling Towers using Soft water, MIDC water or hard water with various requirements of recycling of water.

CHILLER WATER TREATMENT CHEMICAL

We have product range for chillers using Glycol and those without glycol.

Along with metal passivation and corrosion inhibition we also control microbiological growth by employing compatible biocide to prevent active chemical loss and MIC (microbiologically induced corrosion).

CSR (CORPORATE SOCIAL RESPONSIBILITY)

SPREADING HAPPINESS....

AQUARIUS CHEMICALS motivates & facilitates change towards building an inclusive society in a responsible & sustainable manner.

Our CSR practices & programs complement and support the developmental priorities at local, state and national levels and promote diversity through affirmative action.

OUR SPECIALIZED AND COST EFFECTIVE PRODUCTS

❖ **Industrial Filter Plants**

- Full range of PSF, MGF, DMF, ACF,
- Ultra filtration for SDI control for RO
- Special application filters as Iron removal, Sulfide /odor removal, color removal

❖ **Softening Plants**

- Designed to reduce Total Hardness to <5 ppm
- Compact bed, sturdy models in up-flow direction

❖ **D. M Plant**

- Designed to achieve conductivity less than $0.1\mu\text{s}/\text{cm}$ and silica less than 20ppb

❖ **Salient features**

- All above Plants are available in FRP, MSEP, MSRL, SS or as per Customer Demand
- Manual, Semi Automatic and Automatic versions available.
- Maximum output with optimum plant size, less regenerant by selecting appropriate stream combination.
- Supplied to Process, Pharma, Paper, Paint, high pressure boilers and variety of other industries

❖ **Reverse Osmosis Plant**

- Provide complete RO system for purification of Brackish and saline water in any scale and capacity.
- Can handle variety of waters including ETP, process reject and recycling.
- Customized pretreatment and Clean in process (CIP) system for longer membrane life.
- Complete backup on anti-scalant selection and dosing system
- Many successful installation for Drinking water supply at Schools, Colleges, Hospitals and colonies

❖ **Chemical Dosing System**

- Design fully automatic Dosing system for Boiler Chemicals, and Cooling Tower Chemicals
- Accurate Dosing without operator intervention
- Proven in field by number of installations

❖ **ETP /STP Plant**

- Design Install and commission ETP/STP plant to give treated water quality as per Government norms
- Help customers update existing plants and restore performance
- Also enable customer to recycle treated water and achieve Zero Discharge.

❖ ULTRA FILTRATION PLANT

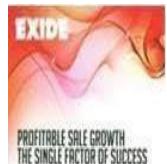

- Design Install and commission Ultra filtration for removal of Suspended solids, Colloidal particles, Macromolecules, Bacteria and Viruses.
- Installation for drinking water, waste water, paint recovery accomplished.
- Help customers update existing plants and restore performance.

❖ WE ALSO SUPPLY

 <ul style="list-style-type: none"> ● Ion Exchange Resins 	 <ul style="list-style-type: none"> ● Membranes 	 <ul style="list-style-type: none"> ● Cartridges 	 <ul style="list-style-type: none"> ● High Pressure Pumps
 <ul style="list-style-type: none"> ● Chemical Dosing Pumps 	 <ul style="list-style-type: none"> ● Hub and Laterals 	 <ul style="list-style-type: none"> ● MPV 	 <ul style="list-style-type: none"> ● Ejector
 <ul style="list-style-type: none"> ● Strainers 	 <ul style="list-style-type: none"> ● Diaphragm Valve 	 <ul style="list-style-type: none"> ● UV Units 	 <ul style="list-style-type: none"> ● TDS conductivity PH Meters
 <ul style="list-style-type: none"> ● Water Testing Kit 	 <ul style="list-style-type: none"> ● Rotameter 	<ul style="list-style-type: none"> ● Sand of all sizes ● Activated Carbon ● Anthracite ● Sulphamic Acid 	
<ul style="list-style-type: none"> ● Citric Acid ● Alum Powder ● Sodium Hypochlorite ● Boiler Boil Out Chemicals 	<ul style="list-style-type: none"> ● Hydrochloric Acid ● Sodium Hydroxide 	<ul style="list-style-type: none"> ● Sodium Hydroxide 	

We do undertake descaling jobs for boiler, Heat Exchanger, Cooling Towers, RO and other equipments.

Major clients & Project completed List:-

SR NO	CUSTOMER NAME	PROJECT
1	M/S MUKAND SUMI METAL PROCESSING LTD	375 m3/hr PSF/ACF
2	M/S GANGA PAPERS LTD	12 m3/hr DM Plant
3	M/S GANGA PAPERS LTD	50 m3/hr PSF/ACF
4	M/S BHARAT FORGE LTD	100m3/hr PSF/ACF/Softener
5	M/S BHARAT FORGE LTD	8 m3/hr , 6m3/hr DM Plant
6	M/S TEEJAY INDUSTRIES LTD	12m3/hr RO Plant
7	M/S AMUL DAIRY (KAIRA DIST CO-OP MILK PRODUCERS UNION LTD)-Gujarat	6m3/hr RO Plant
8	M/S BILTECH BUILDING ELEMENTS LTD	8m3/hr RO Plant
9	M/S UNIKLINGER LTD.,	5m3/hr RO Plant
10	M/S U.T PUMPS & SYSTEMSPVT.LTD	30m3/hr PSF
11	M/S WIPRO PARI ROBOTICS PRIVATE LIMITED	3m3/hr x 5 nos RO Plant
12	M/S FOODS & INNS LTD.,	500 KLD WTP plant
13	M/S BIKANER FOODS	12 m3/hr RO Plant
14	M/S PIAGGIO VEHICLES PVT.LTD.,	15 m3/hr RO + DM plant
15	M/S FORBES MARSHALL PVT LTD	Softener/RO Plant/LP/HP Dosing System
16	M/S Thermax Babcock & Wilcox Energy Solutions Pvt. Ltd.	DM plant + LP/HP Dosing System
17	NEW PHALTAN SUGAR WORKS DISTILLERY DIVISION LTD	Tube Settler/UF/ RO/DM
18	WIPRO PARI PRIVATE LIMITED	STP X 2 NOS RO-5 Nos /WTP
19	FOODS & INNS LTD	WTP + RO PLANT
20	DOHLER INDIA (P) LTD	BOILER / RO / WTP / IBR
21	ENDURANCE TECHNOLOGIES LTD	ETP/UF/RO
22	CEAT Limited	CHEMICALS / SERVICES
23	Bonfiglioli Transmissions Pvt Ltd	Supply, Installation, Testing & Commission- ETP Plant
24	INFILOOM INDIA PVT LTD- SILVASA	CHEMICALS
25	SAINT-GOBAIN INDUSTRIES INDIA PVT LTD- VAIZAG	WTP Package Supply
26	POWER OF ONE LOGISTICS PARK PRIVATE LTD	STP PLANT-40 KLF WITH MBBR Technology Design/Supply Installation Testing/Commissioning
27	AARUSH PHASEV LOGISTICS PARK PVT LTD	STP PLANT-40 KLD

28	FORBESVYNCKE PVT. LTD	CHEMICAL DOSING SYSTEMS/ CHEMICALS / SERVICES
29	DANA INDIA PVT LTD- CHAKAN	ETP 60 KLD/ AMC /CHEMICALS & SERVICES
30	FERRERO INDIA PVT LTD	CHEMICALS/ SERVICES/AMC
31	VITESCO TECHNOLOGIES INDIA PVT LTD	CHEMICALS/ SERVICES
32	M/S ROSE PLASTICS INDIA PVT LTD	CHEMICALS/ SERVICES
33	K.K NAG LTD	CHEMICALS/ SERVICES
34	TATA TOYO RADIATOR LTD	CHEMICALS/ SERVICES
35	BRINTON CARPETS ASIA PVT. LTD.,	CHEMICALS/ SERVICES
36	ASIAN PAINTS LIMITED	CHEMICALS/ SERVICES
37	DANFOSS POWER SOLUTION INDIA PVT LTD	CHEMICALS/ SERVICES
38	RHICONEX SOLUTIONS	R O Plant -4000 LPH
39	GARWARE FULFLEX INDIA PRIVATE LIMITED	CHEMICALS/ SERVICES
40	MAHINDRA & MAHINDRA LTD	CHEMICALS/ SERVICES
41	SKS FASTONERS LTD	CHEMICALS/ SERVICES/ RO PLANT
42	BILTECH BUILDING ELEMENTS LIMITED (TUMKUR)	R O Plant- 8000 LPH/ Chemicals/Services
43	TIRUPATI BALAJI AGRO PRODUCTS PVT.LTD.	R O Plant- 4000 LPH /Chemicals/Services
44	RAKHOH INDUSTRIES PVT LTD	WATER SOFTNER- FOR 6 TPH /4 TPH BOILER / CHEMICAL DOSING SYSTEM
45	POLYBOND INDIA (P) LTD	RO Plant / Chemicals/ Services
46	GUJARAT SIDHEE CEMENT LIMITED/ SAURASHTRA CEMENT LIMITED	CHEMICALS/ SERVICES
47	BARAMATI AGRO LTD -DISTLLERY UNIT-I	ACTIVATED CARBON FILTER- 80M3/HR 300 TO 500 KLPD SOFTNER PLANT- 50M3/HR 300 TO 500 KLP/ WTP AUTO CLORINATION SYSTEM/ CHEMICALS /SERVICES
48	BUNGE INDIA PRIVATE LIMITED	CHEMICALS/ SERVICES
49	MALAS FOODS PRODUCTS PVT LTD	CHEMICALS/ SERVICES
50	VENKATESHWARA HATCHERIES PVT LTD	5000 LPH DE-MINERALISATION PLANT
